Opinions of the Press.

The Louisville Journal says: "The testimonials which Dr. Gardner presents to the public could never have been obtained, except by the display of great skill and learning in his profession. One thing especially commends Dr. Gardner's practice, that he will not attempt an incurable disease for the sake of a fee, but frankly tells the patient whether he can be cured or not. We cheerfully recommend Dr. Gardner to the attention of all our friends who may be suffering from diseases of the eye or ear."

The Richmond Times says: "We have no hesitation in saying that Dr. Gardner is the most scientific and successful eye and ear Surgeon in this country."

"Dr. Gardner's treatment of the eye and ear is wonderful."—Richmond Enquirer.

"We feel justified in recommending Doctor Gardner to those suffering from diseases of the eye and ear."—Richmond Why.

"We can safely and cordially recommend Dr. Gardner, who will fulfill all he undertakes to perform."—Baltimore Clipper.

The New Orleans True Delta says: "We can safely recommend Dr. Gardner as a successful operator on the eye and ear. He will not undertake to treat a case unless a cure can be effected."

The Wheeling Register says: "Dr. Gardner is one of our most successful Oculists and Aurists in the country. We advise those suffering from diseases of the eye and ear to consult him."

Reduction in Price of the American Watches.
MADE AT WALTHAM, MASSACHUSETTS.

In consequence of the recent great improvements in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed.

WITH GOLD AT PAR,

so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of

More than 200,000 Watches have given our productions the very highest rank among time-keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in saying that we now make more than one-half of all the watches sold in the United States. The different grades are distinguished by the following trade-marks on the plate:

1. American Watch Co., Waltham, Mass.
2. "Appleton, Tracy & Co., Waltham, Mass.
3. "P. S. Bartlett," Waltham, Mass.
4. "William Ellery,"

5. OUR LADIES' WATCH, of first quality, is named "Appleton, Tracy & Co., Waltham, Mass.

6. Our next quality of Ladies' Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co., of Waltham, Mass. authorize us to state that without distinction of trade-marks or price,

ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED

to be the best time-keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this guarantee is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may be always exchanged for another. As the American Watches, made at Waltham, Mass., are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

Caution.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.
